"A Time To Get,"

As a new school, there are many things Lake Howell needs to "get." Traditions must be established along with a reputation. An Alma Mater must be written and adopted. Clubs, activities and special annual events must also be initiated. Finally, in order to begin all this, a dedication is in order.

Lake Howell held its dedication on October 26, 1975. A large audience present for the dedication watched as Eoghan Kelley, A.I.A., presented Mr. Evans with the keys to the school signifying that it now really belongs to us (picture 1). Dr. Earl S. Weldon, President of Seminole Community College, was the guest speaker (picture 2). In keeping with the Bicentennial year, the Chorus sang several patriotic songs. The Band also played several numbers including the National Anthem. The Dedication Ceremony was the perfect climax to the anticipation and eagerness of all those who have waited patiently and impatiently for our own school.

“A Time To Keep”

Lake Howell has many things which it may keep, such as the dreams and principles on which it was founded. As a school founded in the Bicentennial year, Lake Howell has been the honored recipient of several donations of flags. Picture 1. Ernie Horrell, Coordinator, Seminole Bicentennial Committee presents Mr. Evans with a Bicentennial Flag. 2. A flag donated by the VFW post flies proudly each day. 3. John Brandorff receives certificate which states that flag donated by the VFW flew over the White House. 4. Lake Howell is also proud of its first Foreign Exchange Student, Lena Isaacson. Here she is welcomed by Mr. Evans and several cheerleaders.

“A Time To Speak”

WELCOME
TO OUR
NEW NEST!

Students at Lake Howell grow quickly accustomed to change and are soon comfortable in their new surroundings. In the cafeteria or on the lawn, students find time to enjoy themselves.

“A Time To Laugh”

Picture 1, 2 and 7. (opposite page) Students and Faculty of Lake Howell join in support of the football team. Picture 3. Yearbook students clown around while out selling ads.

Pictures 4, 5 and 6. The faculty knows how to have some fun, too. 4. Mr. Bouch and Miss Vickers pose for a win-some shot. 5. Mrs. MacCartney seems to enjoy the game. 6. Mr. Bouch, ever the ladies' man, pairs up with Mrs. Neiswender.

"A TIME

TO LIVE!"

“A Time To Build”

Lake Howell's goal is to be the best school in the nation. This is a difficult but not impossible goal to reach. The Cheerleaders, Band and football team are only a few of the organizations that are doing their best to make Lake Howell the BEST.

“A Time To Learn”

A school is the sum of its parts, it cannot survive by extracurricular activities alone. Academic achievement must be one of our goals in order to meet the higher goal of being the best.

1. Mrs. O'Shea's students seem engrossed in what they are studying. 2. Pam Carter dutifully reads book for Science Fiction Class. 4. Diane Garvin and Chris Gotshall are intent on solving a problem.

STUDENT LIFE

FIRST DAY OF SCHOOL IS ROUTINE

1. Long lines are Standard Operating Procedure. 2. Miss Vickers helps student with schedule. 3. Susan Baacke, Sandy Thurlow, Barbara and Alice Sibbring compare schedules. 4. Robert Monaco offers a smile even in trying times. 5. Beth Emery, Keith Hagood and Kathy Richards discuss their classes.

PEP RALLIES ARE CROWDED BUT SPIRIT IS HIGH.

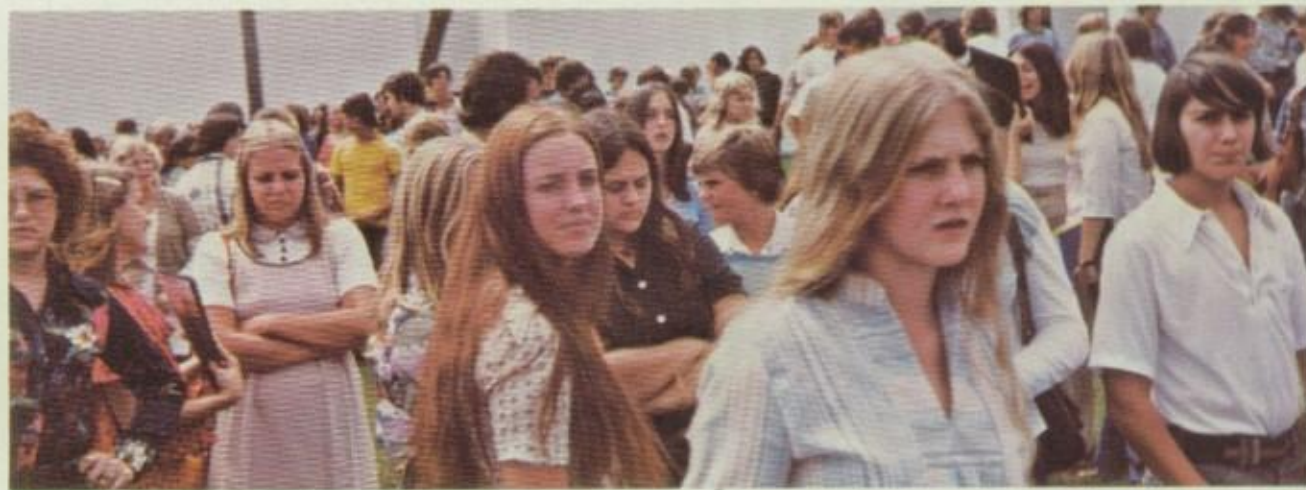

1. Cheerleaders do one of their "special cheers." 2. Students sometimes have trouble getting into the gym, much less finding a place to sit. 3. Pep rallies seem to be a spectator event here. 4. Students are absorbed in new cheer done by cheerleaders.

HAWKS ARE PLEASED WITH NEW "NEST."

Students settled quickly into their new home whether they were waiting outside for rides or buses, attending class or having lunch.

STUDENTS HONORED BY INDUCTION INTO N.H.S.

Lake Howell's honor students are inducted into the Richard Evans Chapter of the National Honor Society on the night of Tuesday, November 6, 1975.

Fun, laughs and a lot of funny clothes highlight Fifties' Day, 1975. The day was climaxed by a dance sponsored by the Keyette and Key Clubs where Mr. Werner and Mr. Picou served as D.J.'s (picture 1). Named as best-dressed couple were Tami Long and David Leverett (picture 2); best-dressed man was Andy Holton (picture 3); and Cathy Seminara and Rhonda Cottrill tied for best-dressed girls (picture 4)

FIREBIRDS RUFFLE FEATHERS

The Lake Howell Firebirds proved they do know a little bit about football (contrary to popular opinion, sometimes) and surprised the Chicken Hawks with a 56 to 14 victory. The Firebirds (better known as the male faculty) made touchdown after touchdown, while the Chicken Hawks (better known as the fathers) had failed to make a single touchdown by the third quarter. In a surprise move, the Chicken Hawks brought

in their "secret weapon," Mrs. Schmidt, who made their first touchdown. The Chicken Hawks managed to make another touchdown before finally going down to defeat. In another surprise move and a last ditch effort, they put all their players on the field in the final play of the game but to no avail. The Firebirds still carried off a stunning victory.

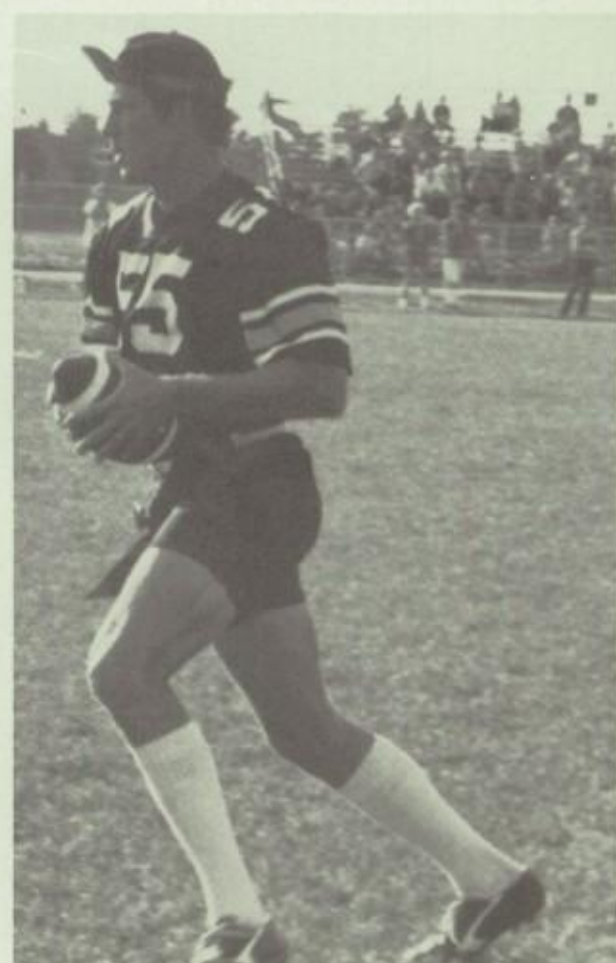

Mr. Castro, Mrs. Hall, Miss Courier and Miss Berry watch with interest.

Miss Vickers, Mrs. Parker, and Mrs. Mac Cartney make a lasting impression.

HAWKS HAVE FUN

Hawks are really stirring up their spirit at school when they get all decked out in their "best" costumes for dress-up days. Pictured here are clash, hat and hair-do day and, of course, baby day.

1. Roxann Hippler, Lindsay Row, Scott VandeHouten, Sue Phillips. 2. Claire Roberts, Jamie Roden. 3. Todd Leist. 4. Gary Wood. 5. Sandy Thurlow. 6. Barbara Sibbring, Donna Tartaglia, Sheila Lindgren, Debbie Wise, Marsha Fitzgerald, Rhonda Licciardello, and (rear) Steve Perry.

FRESHMEN OUTCLASS UPPER CLASS

Determined and spirited, the Freshman girls triumph over both upper classes. The Freshman vs. Junior contest in the second half was close as the teams went into overtime to determine the winner of the tied-up game, with freshmen coming out on top with more yardage gained.

FIRE MUSIC AND SPIRIT MAKE HOMECOMING SUCCESSFUL

1. Kevin Wawrzaszek leads band during Homecoming ceremony. 2. Mark Moran, Greg Schmidt, David Tomerlin, Steve Johnson perform as Princesses enter field. 3. Jim Pritchard breaks through victory circle. 4. John Campese, Frank Mollica, John Rogers, Sharon Groundwater and Susie Wargo also perform at ceremony.

PRINCESSES REIGN OVER HOMECOMING FESTIVITIES

Past and Present Princesses stole the show at the Homecoming festivities with their beautiful smiles and gorgeous gowns. All the princesses were escorted by their proud fathers onto the field to receive their roses and charms. Mr. Evans presented the gifts to the girls.

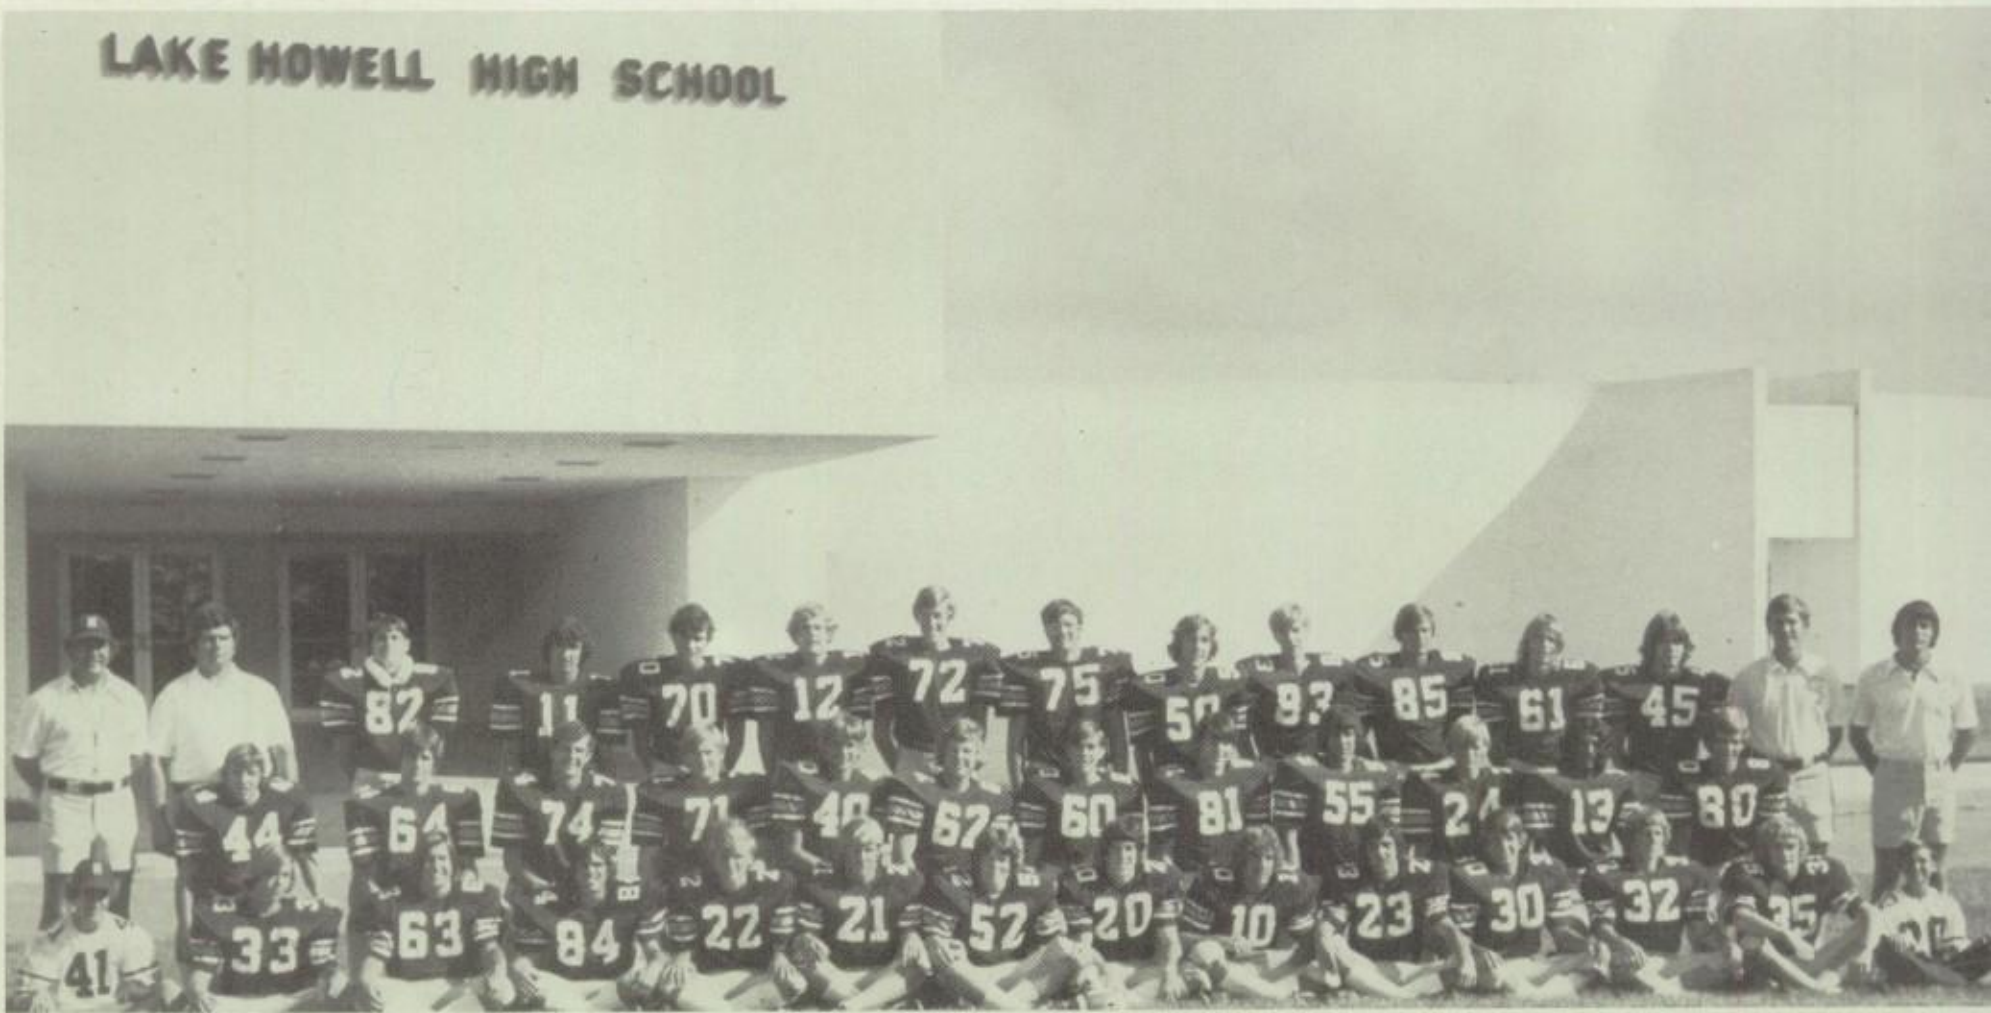

1. Lori Bollet, Shelly Anderson. 2. Kim Rolly, Jan Duffy. 3. 1975-'76 Court. 4. 1974-'75 Court - Vicki VandeHouten, Lindsay Row, Melanie Myers, Tina Riebling, Laurie Messer, Pam Dixon.

Head Coach Tom Ruby, Coach Ed. Zaremba, Coach Frank Schwartz, Coach Curtis Keene.

R. Arnold and B. Bray look on intently.

The Varsity football team, under the watchful eye of Head Coach, Tom Ruby, ends a tough season with a 1-9 record. Coach Ruby is confident the team will learn from its experience and do well next season. We are one of the best passing teams in Central Florida with Jim Pritchard going over the 1000 yard mark. Once the team gets its ground game together it will be unstoppable.

1. B. Luby scores in Punta Gorda game! 2. J. Pritchard kicks extra point as M. Simonelli holds. 3. R. Pruitt confers with Coach Ruby.

CROSS COUNTRY MAKES TRACKS

The Cross Country team is hampered by its size and youth and experience of the runners. In spite of their win-loss record, several runners stand out as being much improved and for shaving seconds off their individual times. Some of these runners are: Randy Campbell, Steve Campbell, and Mark Latham.

Scott Thomas jogs down the finish chute at Mt. Dora.

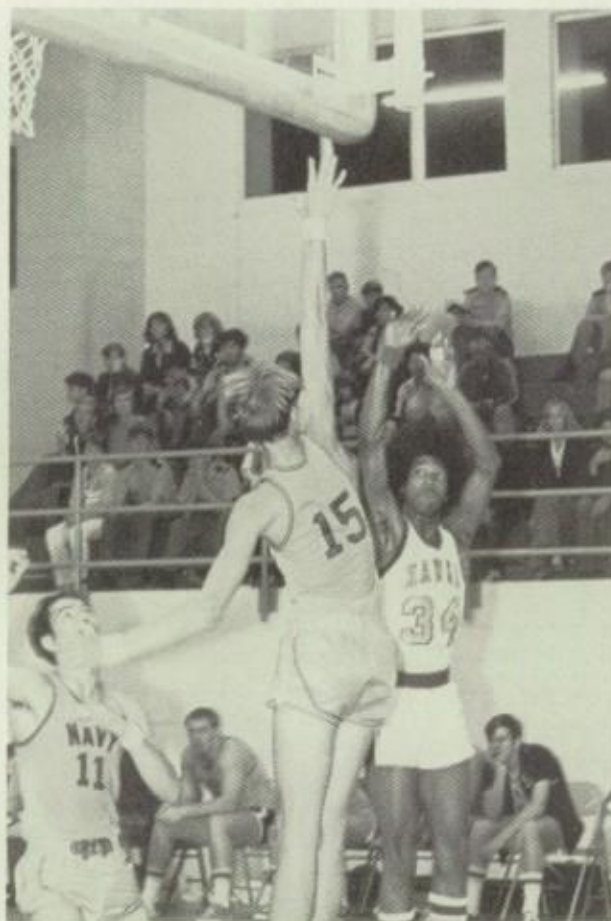

Kelly Thomas finished the season with the best record of any other team runner.

Girls' Cross Country is a new addition to our intramural sports program. Although lacking in depth and experience, more so than the boys, several runners stand out for their drive stamina and improvement. They are Kelly Thomas (top ten in state) and Dena Owens.

VARSITY CAGERS DISADVANTAGED BY YOUTH

Coach Robinson discusses strategy.

Carroll passes ball in.

Pritchard scores for cagers.

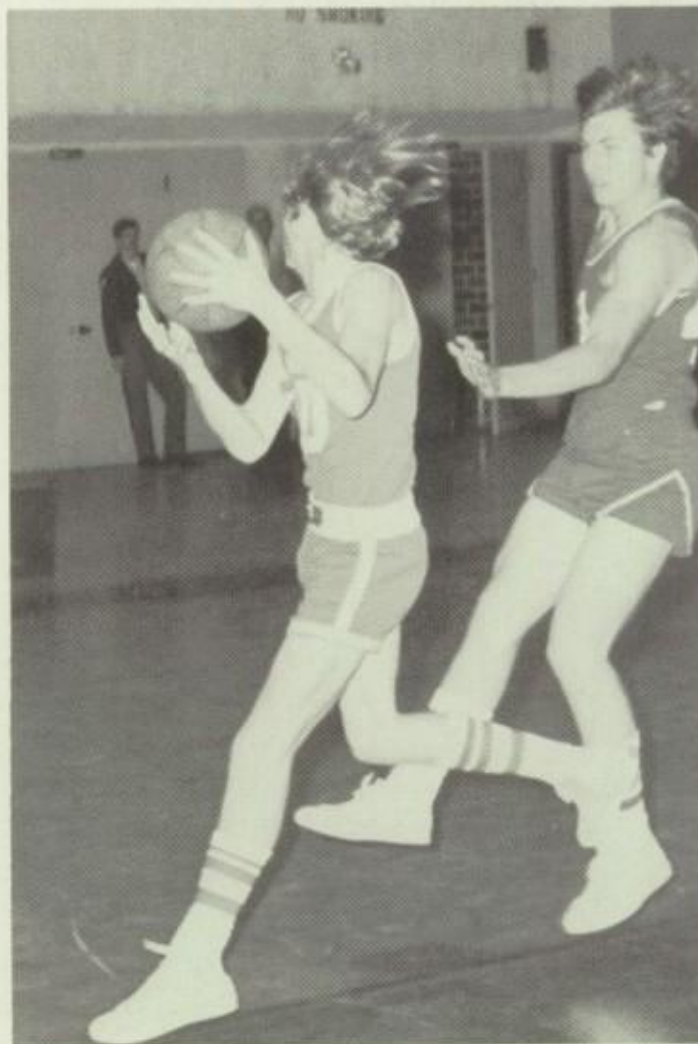

The Varsity Basketball Team, coached by Greg Robinson, got off to a good start, but the following games they fell short of many victories by close margins with seconds left on the clock. A number of players have been outstanding as they have scored in the double figures. These players are: Bret Thomas, who is a good rebounder and scorer, Ray Hykoski and Stan Adams are the leading rebounders, along with Tim Carroll as leading scorer. Jim Meadows leads the pack with the title of best free throw shooter. Les Schmidt is exceptional for his versatility, and John Brumbaugh is a strong sub and averages 12 points a game. Coach Robinson feels that the team is much improved from last season's ball club, but being without a Senior class and playing against better ball clubs has really hurt their chances. "Over all we play good basketball," says Robinson.

J.V. CAGERS ARE LOOKING UP

ROW 1: R. Pruitt, J. Campbell, B. Lorah, P. Frazier. ROW 2: T. Thompson, J. Staples, K. Weaver, R. Thomas, S. Kirby, B. Thomas, S. Kosto.

The J.V. Basketball Team went on to a winning season, along with the help of Coach Mike Ferrell. The Hawks starting line-up includes: Tom Thompson, Scott Kirby, Randy Pruitt, Kent Weaver, Bob Luby.

Kent Weaver dodges his opponent.

Tom Thompson shoots from the outside.

FRESHMAN CAGERS FIGHT ON

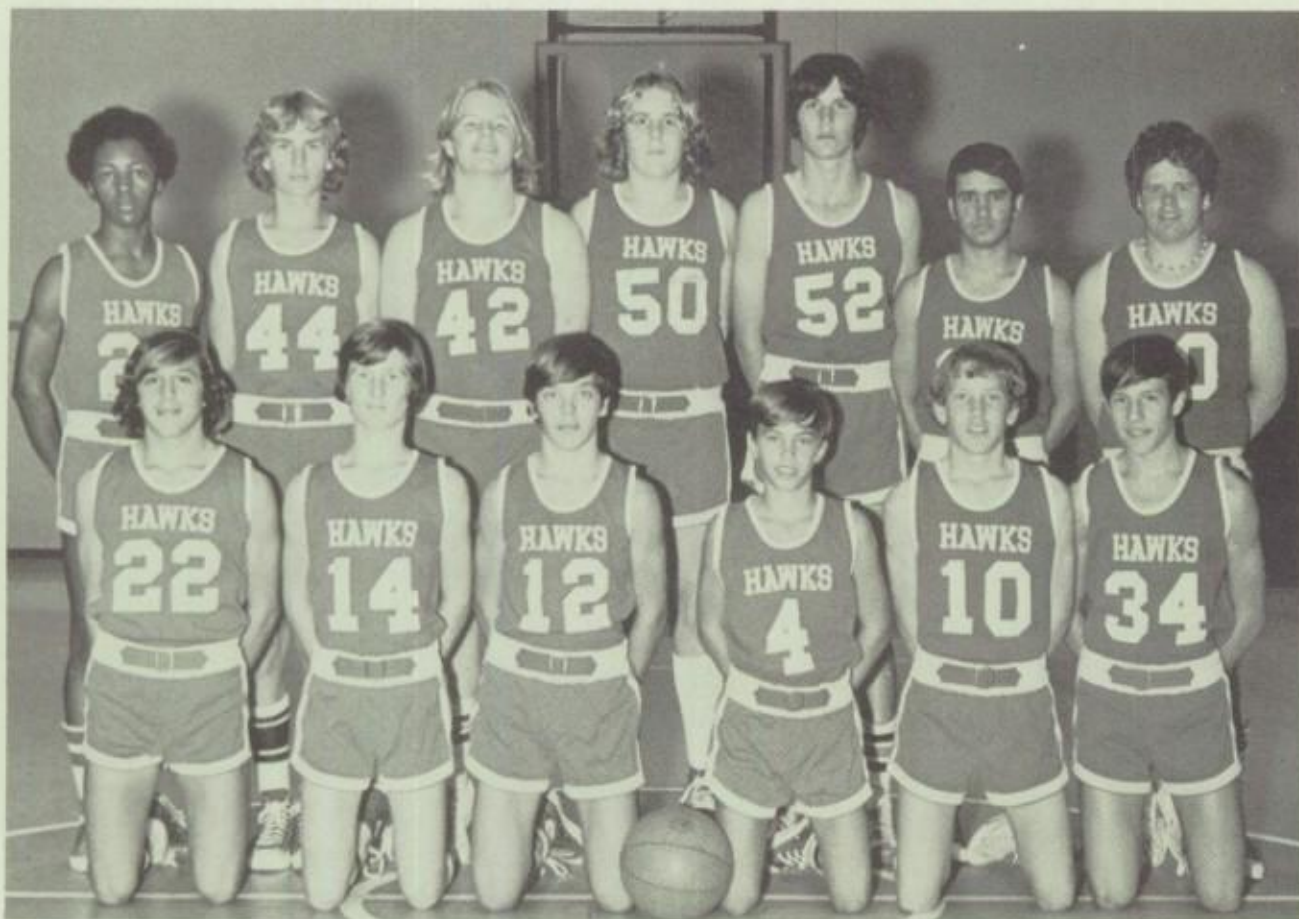

Bruce Wallich goes up for two points.

Robert Johnson on the fast break . . . 2 points!

Though short on wins, the Freshman Cagers maintain a lot of spirit. Various problems have troubled the young team, such as having to share the Varsity and J.V. coaches. Freshman Basketball has always been a proving ground for J.V. and Varsity teams and the young players practice long hours to prove themselves worthy of advancement. Freshman efforts were rewarded by having Coach Hargis join them.

ROW 1: A. Squartino, R. Yebba, D. Fonzo, S. Gibson, D. Meadows, R. Whiting.

PEOPLE

OUR PRINCIPAL WEARS MANY HATS

Mr. Evans, our principal spends long hours here at school ironing out problems involving the faculty and students. Many of his duties include attending meetings such as Principals' meetings, School Board meetings, and local Advisory Committee meetings and P.T.A. He actively supports school activities and is frequently seen at Concerts, Plays and Games. Mrs. Evans, also a principal and son, Ricky, are also frequently spectators of school activities.

DEDICATED ASSISTANTS AID PRINCIPAL

Mr. Duncan chats with Coach Murphy at wrestling match.

Mr. Gaines and Ray Jr.

Dean of Students, Mr. Raymond Gaines

MR. RAY GAINES

Mr. Gaines, our dean of students, has a very active part in the way our school is operated. He also spends long hours here at school working out the problems that sometimes occur.

Mr. Gaines is the proud father of a new little boy, Raymond, Jr.

Asst. Principal, Mr. Frank Duncan

MR. FRANK DUNCAN

Mr. Frank Duncan's many responsibilities and duties include, supervision of the non-instructional staff, assignment and regulation of teacher duties and ordering and keeping records on textbooks. Mr. Duncan also helps supervise the commons and other area of the school during times of heavy student traffic.

Pointing out the way is Mr. Ray Gaines

Mrs. Gagliano

Mr. Hargis

Besides counseling students with personal problems and advising students about scheduling, Guidance offers many other services. Mrs. Botos and Miss Berry provide information about which colleges are best for the individual, administer tests such as the PSAT and Merit Scholarship Exam, and provide Financial Aid Information to prospective college students.

Mr. Hargis, the Occupational Specialist, helps students by finding after-school jobs for them, informing them of labor laws regarding juveniles, helping students complete work permits, and providing career counseling and arranging for guest lecturers in many different fields.

AUXILIARY STAFFS ARE WORKING VERY HARD

Mrs. D. Green, Mrs. V. Stavale, Mrs. M. Johnson, Mrs. R. Hippler, Mrs. L. Morgan, Mrs. S. Singhofen, Mrs. R. Jacobs, Mrs. B. Bowersock.

Being in our new school this year, the custodians are working especially hard to keep our school looking new inside and out. Not only are the custodians doing a good job, but the ladies that work in the cafeteria are doing a terrific job, especially during lunch rush hour.

HAWKS LEARN MATH STRATEGY

Students are easily distracted by open classroom situations.

The math staff, headed by Mr. Neiswender, is widening its selection of courses this year to better please the students. Instead of having just General Math, Algebra, and Geometry, we now have courses like Math Logic, Data Processing, and even an exciting Trig class for the students that plan on pursuing a Math career.

Miss Alexander

Paul Binford and Rhonda Licciardello

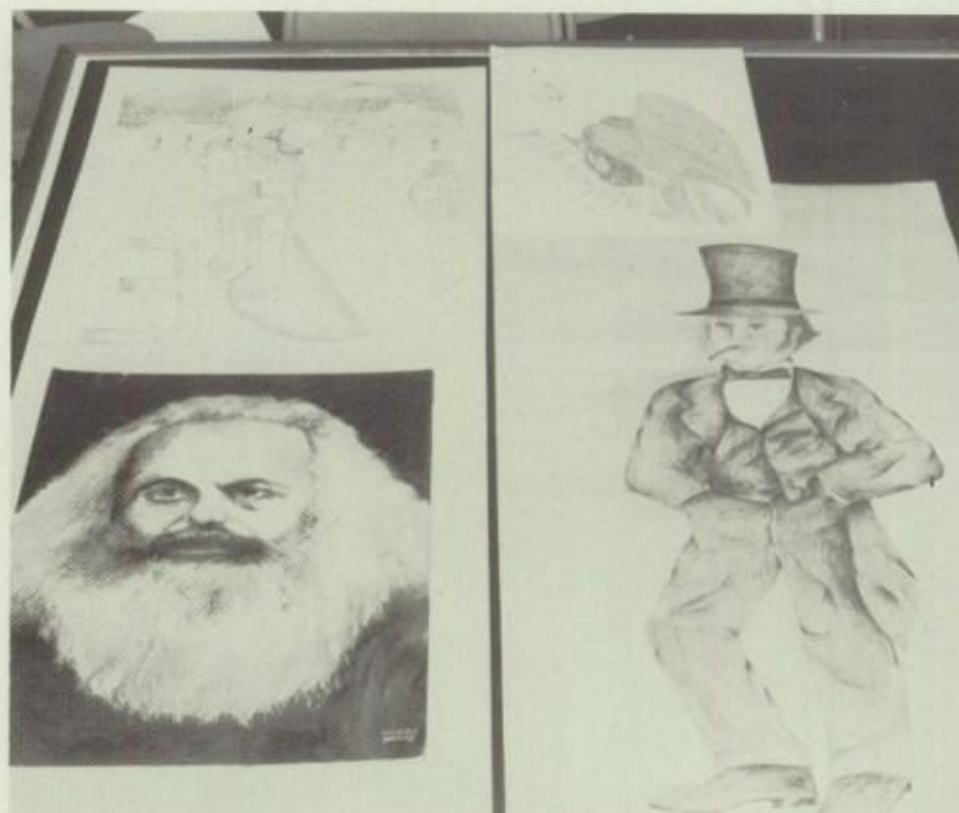

Mr. Southworth confers with DCT students.

Mrs. Cone, department chairman, and her staff seek to prepare their students for business careers. Students are offered a variety of courses such as typing and bookkeeping.

DCT is taught by Mr. Southworth and is a special course offered to students which enables a student to get practical experience in on-the-job training. Students taking this course attend school in the morning and work in the afternoons.

FINE ARTS ALTERS SCHOOL ROUTINE

Music and Art reflect man's intellect as well as his creative abilities. These courses in the schools allow students a chance to express themselves in ways not provided by their other classes. The Music Department offers Intermediate Band and Chorus and percussion class as well as Advanced Band and Chorus which are the main performing organizations. Guitar class, taught by Mr. Picou, is also offered.

Honorable Mentions for Yearbook Art Contest

Mr. Castro's many interests include live plants.

Mr. Castro

Mrs. Hettel

In Art classes the students prepared a Christmas mural for a children's wing in a hospital and some entered Scholastic's Art Contest as well as the yearbook Art Contest.

THESE COURSES OFFER PRACTICAL KNOWLEDGE

Home Economics is no longer a course just for girls who intend to get married and raise a family. More and more young men are becoming interested in this course as a means of preparing themselves for the time they leave home for college or a bachelor apartment.

Industrial Arts, on the other hand, holds more interest for girls than it used to. The Women's Lib influence has encouraged young women to do many things which once were taboo. Currently, Lake Howell offers only wood-working but plans for mechanical-related courses are made for next year.

Social Studies helps students learn of the past, present, and future. History reflects the Bicentennial years, and Government includes the study of Presidents, congressmen, and how laws are made. Social Studies also helps to prepare the students for college.

PHYSICAL EDUCATION BUILDS SKILL, COORDINATION, AND STRENGTH

The physical education teachers are always looking forward to the excitement and action shown by their ambitious students. Their activities are not only fun, but help to build strong and healthy athletes for the future.

LEARNING FOREIGN LANGUAGES IS EXCITING AND FUN

The Foreign Language Department is helping to expose students to different cultures of our world through Spanish, German, and French. "Cultural Experiences" (food cooking demonstrations), singing and parties where only foreign language is spoken help stimulate student interest and eagerness to learn a new language.

Drill Team flags retire until next performance after a colorful half time show.

This year's Drill Team has increased not only in members, but in skill and talent, too. They practice many hard hours with Mrs. Hall and Debbie Lee, the captain, to perfect their flag routines that add color and spirit to our band. They participated in a marching contest along with the band and got the highest rating possible.

MAJORETTES ARE ENTERTAINING

This year the majorettes have done different styles of routines and have dazzled crowds by twirling fire batons. The sponsor is Mrs. Hall. Cathy Barnwell, the captain, works hard to perfect routines and make them graceful.

They've held car washes and participated in the Tag Day. They have also marched with the band in parades and District Marching Contest.

Diversified Cooperative Training, DCT, is a co-op work program in which students attend school in the morning and work in the afternoons. They send 5 students to Miami in March to attend the state leadership conference which 2500 students attend. In February they send 8 students to District. They collected cans of food for the Harry Anna Crippled Childrens' Home in Eustis, Florida, and went to the Employer-Employee Banquet.

D.C.T. IS WORKING HARD

WINGS PUTS MEMORIES TOGETHER

Most people don't realize that putting a yearbook together involves much more than taking pictures. Each page of this yearbook has been planned in detail - first a rough draft of how the pictures should be placed on the page; then pictures must be identified, cropped, stamped and numbered; also, copy must be written and typed onto the final draft and everything must be checked for accuracy, spelling and correct grammar. The students who work on the yearbook must be creative, artistic, and, above all, dedicated and dependable. They spend many hours after school selling ads and meeting deadlines. The job is not easy, but it can be fun and there is a great deal of pride on the part of the yearbook students, who know they've done a good job.

MESSAGE FROM THE STAFF

The 1975-'76 school year for Lake Howell has been one marked by change and adjustments. From the first day of school when students rushed in to pick up their schedules asking, "Where's the commons?" "Where's the Gym?" "Where's the restroom?" students and teachers have been adjusting to change. Once students were able to find their classrooms, there was still the 'open concept' to adjust to. Restricting movement in the halls during classes and maintaining a reasonable noise volume in the classroom so as not to disturb neighboring classes was the next adjustment. Advantages of the open system have been the cooperation of teachers in planning their class activities and sharing of those activities. Use of the few empty classrooms for small group activities was another way in which teachers took advantage of the open system.

Other changes taking place in our school have included changes in the sports program. While the football team suffered through its second losing season, the spring sports showed much improvement. Wrestling gained tremendously in popularity and the swim team came through again with an excellent season. Tennis, after some initial problems in reorganization gained momentum and more students became interested in joining the team. Baseball, track and weightlifting are programs just getting under way. Also, in addition to Girls' Track, a new sport was added this year - Girls' softball. Currently, the softball team is in practice but the Girls' Track team seems well on its way to a spectacular season.

In the extracurricular area, organizations and activities seem better organized and better planned. While problems have been encountered with places to meet and hold activities, there seems to be more involvement by students and teachers, most likely due to the proximity of the school to the community. In addition to the events established last year such as 50's day, Lake Howell had an extremely successful and well-attended Dedication Ceremony. Parent groups have seemed more successful with the PTSA planning several events, Band Parents' Association with the goal of paying off the uniforms in sight at year's end, and the Booster's Club sponsoring a successful carnival. A Firebirds-Chicken Hawks game sponsored by the AAA Club for the Booster's as well as the Christmas Play were both very successful.

In the Academic area, besides the sharing of activities already mentioned, and use of the extra rooms, there have been other changes. The Social Studies Department, in honor of the Bicentennial, has been having murals painted by students, depicting the history of our nation and displayed in the commons of the 300 wing as well as sponsoring the Bicentennial Minutes which have been read over the intercom daily. Various kinds of art work have been seen in the English Department as well with students doing needle-work, models and drawings for projects. More emphasis has been placed on performance type activities as well. Math classes have been popular this year with new games which teach as well as being fun and field trips to see computers in action with students waging battles between the Enterprise and Klingon ships. Group teaching is also an innovation in the Math Department. The new lab and equipment in the Science Department have enabled these teachers to get students more interested through experiments and observation activities.

The Guidance Department sponsored our first Curriculum Fair with departments staging interesting and successful displays with perhaps the Science Department stealing the show with its animals and ingenious equipment. The English Department put on a play to generate interest in a new Drama course being offered and many other departments had films and slide shows of interest.

Helping our school gain recognition in the community, the Band has performed in various parades and at the Sterling Park Elementary Dedication as well as here at Lake Howell several times. The Chorus has performed at both dedications and at a Winter Park Nursing Home. Civic minded clubs such as Civinettes, Civitans and Keyettes have visited nursing homes and hospitals and donated money to the zoo. And, of course, many of our athletic teams have been gaining recognition.

In summary, it can truthfully be said that Lake Howell has had a busy, successful second year, the only disappointment being its failure to adopt an Alma Mater by the end of the year. With our first graduating class next year, this will be a must. At any rate, Lake Howell can certainly be proud of its record of achievement so far and will certainly continue to make its presence known in the community it serves.

ATHLETE'S EARN STATE RECOGNITION

Jim Pritchard

Jim Pritchard, punter on the All State Team Offense. Though playing in the Quarterback position on Lake Howell's Varsity Football Team, Pritchard said he was pleased with the honor. When asked about future plans Pritchard said he hopes for a scholarship to further his education and perhaps even to attend law school.

Bob Luby

Bob Luby, Honorable Mention for the Florida All-State Receiver. Now in his Sophomore year, Bob must also think of his future. He would like a college scholarship but isn't planning his whole life around it. He feels that good athletic programs in schools is very important.

Randy Pruitt

Randy Pruitt also received a great honor although not affiliated with the All-State honors. He made the first touchdown in the new stadium with an 80 yard pass play from Jim Pritchard.

EXCHANGE STUDENTS SHARE CULTURES

Lake Howell has the privilege to welcome four exchange students from Sweden and South America. The students' willing and friendly attitude toward our country is shown through their interest in learning our way of life. We are extremely pleased that they can spend a short time with us and hope that their stay in our country is enjoyable.

Lena Isaksson - Bjurholm, Sweden. Lena's interests are skiing, swimming, fashion, travel, politics. After college Lena plans to take a career in social services dealing with language interpretation. She is 17 yrs. old and is staying with Robin Pearson.

Jorge Medina - Santiago, Chili.

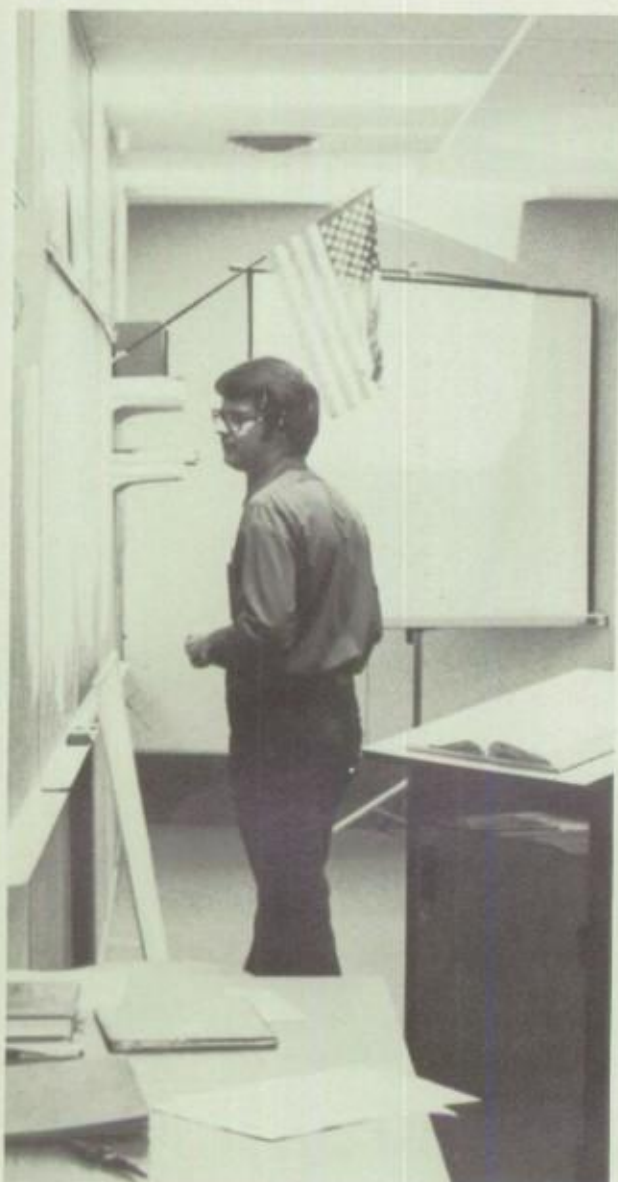

Jorge's interests are soccer, tennis, pingpong and chess. After college Jorge plans to become an engineer. He is 16 yrs. old and is staying with Wesley Gromlich.

Maisa Botelho - Belo Horizonte, Brazil. Maisa's interests lie in swimming, music, and reading. After college Maisa plans on becoming a psychiatrist. She is 16 yrs. old and is staying with the Gamboa's.

Martha Gil - Bogota, Columbia. Martha's hobbies are tennis, reading, and music. She hasn't made plans for her future at this time. Martha is 17 yrs. old and is staying with Marsha Fitzgerald.

L.H. REPRESENTED AT STATE MUSIC CLINIC

L to R: Robin Reeve, Mr. R. Castro, Vicki Saunders and Donna McCarty.

Each year, all the state music teachers (band, chorus, and orchestra) meet in a gigantic convention. One of the highlights of this convention is the concert provided by the band, chorus, orchestra and jazz band. The students in these organizations are selected from all over the state by audition. Vicki Saunders was selected to be the second chair clarinet in the band and Robin Reeve and Donna McCarty were selected to be in the chorus. These students received their individual parts before the convention and spent three days at the convention in intense rehearsal. The concerts were performed in a packed hall and hundreds of people had to be turned away.

L.H. JOINS NATION FOR '76 ACTIVITIES

Toni Schillo, Julie Rajchel, Jan Duffy, Tim Carroll, Andy Winner.

Sheila Lindgren, Barbara Moss, Shelli Stone.

PRESIDENT'S CLASSROOM FOR '76 L.H. juniors Toni Schillo, Julie Rajchel, Jan Duffy, Tim Carroll, and Andy Winner are chosen to represent Lake Howell in Washington D.C. from Jan. 17 to Feb. 14. They are to attend The President's classroom. This school away from school will teach students how our government runs by sitting in on Congress meetings and classroom seminars given by well known members of the legislature.

AWARNES '76, Sponsored by the Junior Achievement is an educational tour of the U.S. that takes 76 students from central Florida to 38 different states, this year to Canada to see the summer olympics and to Mexico to see a bull fight. The main purpose of this trip is to make the youth of America aware of the people of America.

AAA SPONSOR CHRISTMAS PLAY

The Christmas play, held at Seminole Middle School, featured the talents of teachers and students, in a farcical, semi-musical comedy about the kidnapping of Rudolph, the red-nosed reindeer. The play featured many characters not usually associated with Christmas. These characters were pictured as gangsters who kidnapped Rudolph because they were jealous of Santa Claus. Written and directed by Julie Sheppard and organized and produced by Jim Jones, the play was a tremendous success.

Miss Licktieg, Mr. Ferrell and Janelle Bayer, as Playdeer of Month, Rudolph and Tree.

Coach Benjamin, Brian Andrew, Mrs. Glater and Miss Vickers as Bunny Boy and three eggs.

Curtain call for the whole cast.

INTERNATIONAL NIGHT — A TASTE OF EUROPE

The three foreign language teachers, Mr. Chryst, Miss Rudis and Mrs. Hawkins, organized a program to show the parents of Lake Howell foreign language students the cultures of other countries. The Program included skits, poems, songs and dances in French, German and Spanish. After the program, international dishes were served such as Spanish rice, cream-puffs and other foreign treats.

TEACHERS, STUDENTS GET INVOLVED

Firebirds, Chicken Hawks or just Birds - maybe! But not Quail!

Teachers show enthusiasm by cheering Firebirds (Male Faculty) to victory in game with Chicken Hawks (parents).

M. Marx and T. Houston wait for ride after wrestling match.

Three lunch shifts were necessary to accomodate the students in the commons-lunch room.

Open classrooms were a challenge to teachers and students.

Informality in learning activities was one of the things encouraged by the open system.

Small groups were able to function very well and many classes "spread out" into empty rooms.
